

A diagram of a basketball court with various regions and lines. The court is bounded by a black line. At the top, there is a blue semi-circle. Below it, a blue horizontal line runs across the width of the court. Two orange vertical lines extend from this blue line down to the red key lines. The court is divided into several numbered regions: 1 (center court), 2 (top of the key), 3 (left side of the key), 4 (right side of the key), 5 (top of the court), 6 (left side of the court), and 7 (right side of the court). The key is marked with red lines and contains two red circles representing the free-throw circles. The free-throw lines are marked with red double vertical bars. The three-point arc is marked with a blue semi-circle. The baseline is marked with a red line. The diagram includes handwritten numbers and underlines: 18 and 19 are underlined and placed near the left free-throw line; 23 is underlined and placed near the right free-throw line; 19 is underlined and placed near the right three-point arc; and 23 is underlined and placed near the right free-throw line.
